## PICKING UP CAMPERS

1st - 5th grade campers must be checked out before they can leave camp. Campers are given a registration number located in the confirmation letter, which will be used to verify the parent or guardian of the camper being picked up.

## SPENDING MONEY AND CANTEEN OPERATION

Canteen money has been included in the registration total for 1st - 8th grade camps. The only remaining money needed will be for merchandise purchases (upon arrival/departure) and mission offering. Merchandise includes Woodland t-shirts, hats, water bottles, bags, notebooks, etc. Group photos can also be pre-ordered for \$7 (1- 8x10). High school campers need to bring money for canteen (average \$10—\$15 per week).

## WHAT TO BRING

Bible, pencil, bedding (sleeping bag or twin sheets), pillow, toiletry articles, washcloth, towel, sports wear, swim suit, and tennis shoes.

## DRESS SUGGESTION

Sports wear is the most common type of dress for camp. In swimming, if modesty is questioned, you should have a tee shirt to wear over the suit.

## VISITING THE CAMP

Visitors are discouraged from camp in that the program is usually disrupted. If you do need to visit, please check in with the Camp Office immediately upon arrival. The camp is not open to the public during Summer Programs.

## 2011 SUMMER MISSION PROJECT

Each camper will have the opportunity to give to a mission during camp. This year, Casas por Cristo will be our mission. Casas por Cristo is a short term missions organization that builds homes for families in need in Juárez and Acuña, México. Families served receive a renewed trust in God's love and faithfulness as volunteers are awakened to the realities of poverty and the importance of sharing God's love through serving others.

## WOODLAND POLICY

For your safety and benefit, please read through the camp policy with your children:

- You will be expected to follow the schedule.
- You will not be permitted to leave the grounds except for scheduled excursions.
- All sickness and accidents should be reported to the First Aid Tech promptly.
- All swimming and aquatic activities will only be held with proper supervision.
- The standards of the world are not the standards of Woodland in matters of dress.
- Music players, cell phones, and video games are discouraged to create a positive camp environment.
- Phones may be used only with the permission of the Program Director.
- All automobiles brought on campus by both staff and campers will remain parked.
- In case of willful disobedience or inappropriate behavior, the Camp Director and Program Director reserve the right to dismiss and exclude such persons from camp without refund of money.
- Campers leaving the cabin at night without permission will be sent home.
- Campers are served a snack twice a day. As such, no food is allowed inside the cabins in order to maintain a clean environment.

## PREPARING YOUR CHILD FOR CAMP

**Review the confirmation packet:** You and your child should go over the appropriate information included in your confirmation packet. Talk about camp policy and the arrival and departure times for your camp. Make sure your camper is aware of who will pick them up from camp.

**Talk about clothes:** Involve your youngster in selecting clothes. Do the packing together so that your child is aware of what is in the suitcase. It is helpful to mark the clothing with a laundry marker.

**Sidestep the separation:** Please do not suggest to your child that he/she can call home if they get homesick. That is a statement a child never forgets. Woodland discourages children from using the telephone. If a parent needs to be involved with a homesick child, the camp staff will make the call. Do not highlight a conversation about homesickness in your preparations. If it happens, the camp staff will work with the child.

**Prepare the postage:** Pre-address and place stamps on cards or envelopes for your child to use at camp. Only mail will be forwarded by our camp staff to campers. Emails and faxes are not available for campers to receive.

**First Timer's Campers (2 nights):** Campers for this program should eat dinner before arriving at Woodland.

## WHEN YOU ARRIVE AT CAMP

**(All fees must be paid at least two weeks before your event.)**
